HOME COLLECTION

# Collection 2013

Nuove ispirazioni per il mondo casa Blumarine. La nuova Blumarine Home Collection sintetizza ancora una volta lusso, creatività e bon ton regale. Diadema e Macramé sono i temi principali della collezione: la regalità dello jacquard, con decorazioni di perle e cristalli Swarovski applicati manualmente, si esprime pienamente nella linea Diadema, realizzata in tinte delicate: perla, cipria, malva e grigio perla. Le lavorazioni preziose mettono in scena una camera lussuosa e senza tempo. La linea Macramé propone su raso di cotone una stampa-pizzo, un classico del lessico moda Blumarine, con effetto a rilievo. La forza seduttrice del pizzo si stempera nelle tonalità lievi e romantiche del perla, del grigio, del cipria e del glicine creando un inedito connubio. La linea NeoChic interpreta il pattern animalier, altro must Blumarine, con giochi ton sur ton su jacquard dal mood sofisticato e minimale nel mix con stampe e ricami di petali di rosa, loghi e monogrammi di cristalli Swarovski. 4 le varianti colore: cipria, bianco, miele e silver. Tradizione e innovazione, eccellenza qualitativa ed attenzione alle tendenze contemporanee: Blumarine Home Collection è dedicata a chi non rinuncia al sogno di trasformare il quotidiano in un momento sempre speciale.

*New inspirations for the Blumarine home world. Once again the new Blumarine Home Collection synthesizes luxury, creativity and regal bon ton. Diadema and Macramé are the main themes of the collection: the regality of jacquard, hand decorated with pearls and Swarovski crystals, fully expresses the Diadema line, made in delicate hues: pearl, powder, mauve and pearl grey. Precious workmanship highlights a luxurious timeless bedroom. The Macramé line proposes a lace-print on cotton satin, a classic in the Blumarine fashion vocabulary, with a relief effect. The seductive strength of lace is dampened in the light romantic tones of pearl, grey, powder and wisteria, creating a new blend. The NeoChic line interprets an animal-like pattern, another Blumarine must, playing ton on ton in the jacquard with a sophisticated minimal mood in the mix with prints and rose petal embroidery, Swarovski crystal logos and monograms. There are four colour variations: powder, white, honey and silver. Tradition and innovation, excellence in quality and attention to contemporary trends: Blumarine Home Collection is dedicated to people who won't give up the dream of turning daily life into a very special moment.*
