*Luxury -  
when passion beats reason.*

Each carpet in the Luxor-Style collection is a handmade, unique piece of art. The unmistakable character of this carpet is created by individual workmanship that involves typical, small irregularities as a sign of genuine handicraft.

Only top quality , natural materials such as the hand-combed and hand-spun mongolian highland wool and CRYSTALLIZED<sup>TM</sup> *Swarovski Elements*.

Luxor-Style guarantees an especially refined and precious product - intelligent new fashion.
